Dear U3A member,

We would like to take this opportunity to inform you about a special offer that a top leading insurance company, Caser Seguros, has ready for you.

Caser Seguros is ranked as the fifth insurance company in Spain with a turnover close to 2,500 million euros. This allows Caser to continuously keep innovating and developing products and services adapted to the customer needs.

As an exclusive agent, I can offer you a broad range of insurance products that Caser has adapted to the expatriate community like home, car, funeral, business and many others.

At the moment, I would like to inform you that I can offer you Caser's health insurance product at a special rate.

Before considering what insurance company to choose, you need to know if they are reliable or not. In this case, Caser Seguros has over 65 years of experience, a great medical network with over 1,000 private clinics and Hospitals (Xanit International, Hospiten Estepona, USP Marbella,...), more than 20,000 doctors, 24-hour medical advice phone line, option to get a second opinion and many other services that I am sure will be of your interest.

Age Group	Male	Female
0-44	49 €	49 €
45-59	58 €	58 €
60-64	84 €	84 €
>65*	106 €	106 €

Premium available till the 31.12.2010, taxes are not included (0.3%) No extra costs (only 8€ per psychological visit)

* Only applicable for renewal where policy was taken out prior to age 65.

I would be delighted to inform you about the health insurance coverage so you fully understand the product before you contract it. You may already have another health insurance product with another company, but think that I might just save you some money with a better premium and a better product.

Contact me for a quote and further information.

Kind regards,

Sharon Wyndham
